

The CYO participates in the NJ Child and Adult Food Program. All children will be served a daily nutritious lunch and afternoon snack.

We have a dedicated team, led by our Executive Director, Tom Mladenetz; our Program Director, John Soss; and Office Manager Michele Jones. We have Camp Supervisors and Senior Counselors who are either certified teachers or are in the process of pursuing their college degrees. Certified Red Cross Lifeguards provide water safety supervision. Many of our staff are certified in First Aid and CPR. Our motto at the CYO is: "Safety First!"

The CYO of Mercer County operates a Summer REC (Recreation/Education Camp) Program at the CYO Center in Trenton. This camp is for children ages 5 (have already attended Kindergarten) to 12 years old enrolled in our designated, State Subsidized slots (parents pay on a sliding fee scale based on family size and income); a limited number of Child Care Connection voucher or non-subsidized slots may also be available.

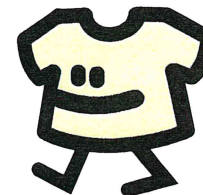

Children attending the CYO Summer Recreation Education Camp will have an opportunity to participate in a variety of activities. All campers swim a few times each week.

Proper behavior is expected from children at all times. Compliance with the established behavior code is expected. Suspension or termination will occur per the CYO disciplinary policy.

All children will receive a free Camp T-Shirt

All registration must be done in person at the CYO. Parents must submit 4 consecutive weeks proof of income, child's social security number, immunization records, and complete all necessary forms. June's payment must be paid in full by June 1st.
