

17th Anniversary

Yardville CYO Pre School
Virtual Open House Tour

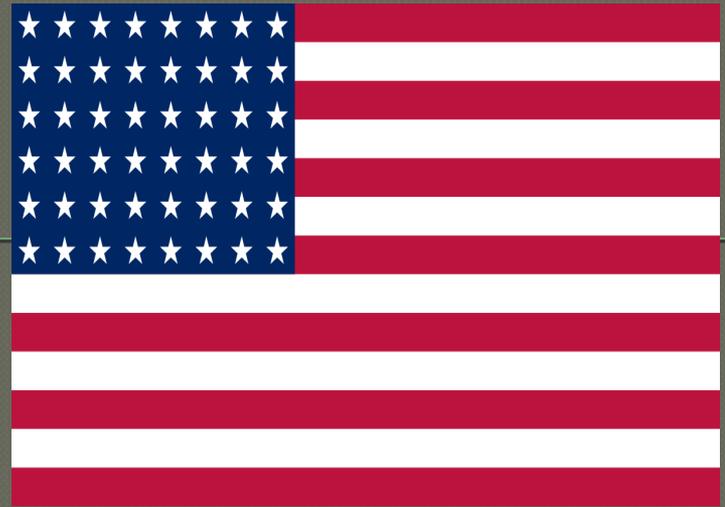

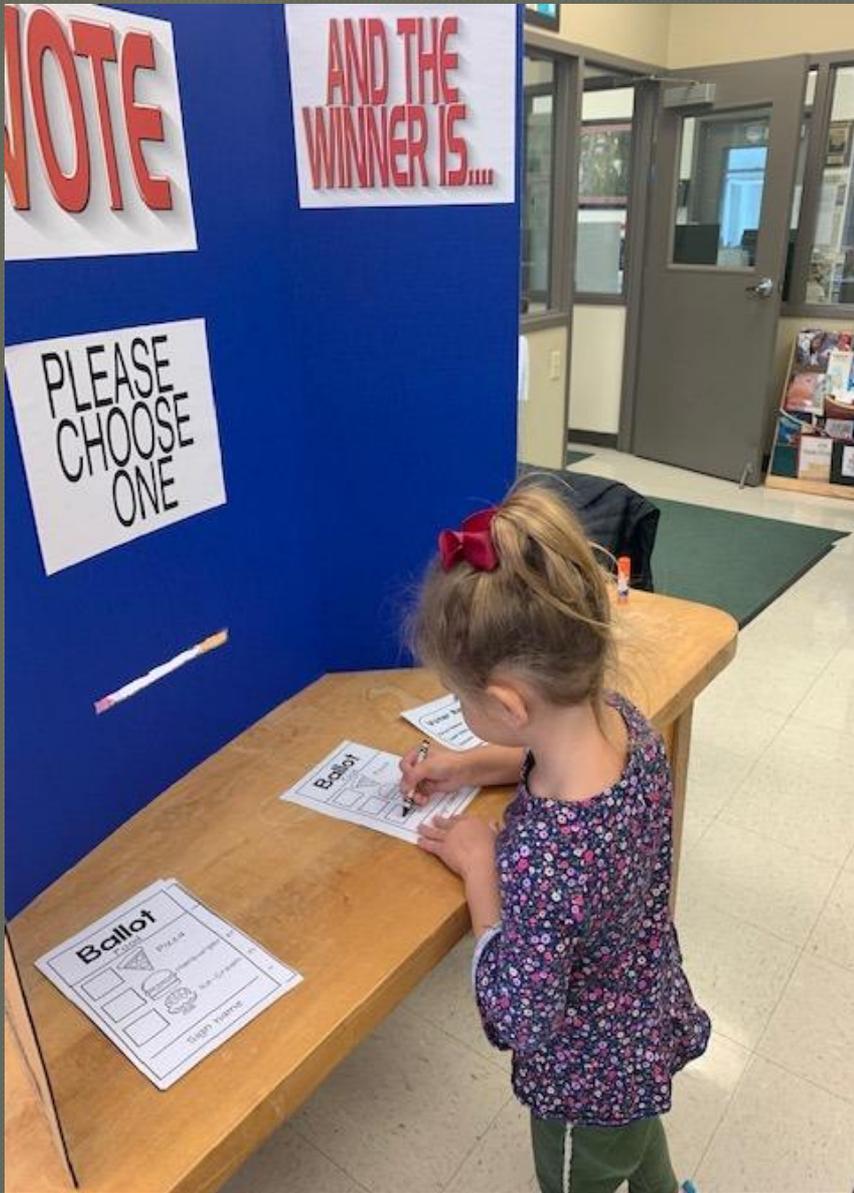

Happy Thanksgiving

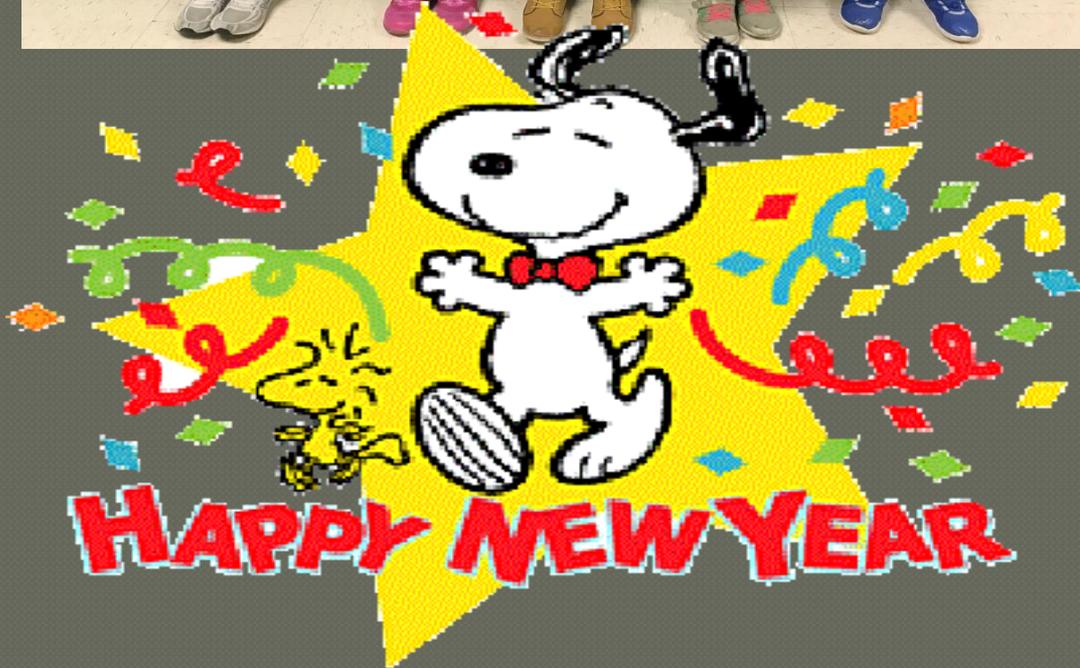

Merry
Christmas!

happy
Valentine's
day

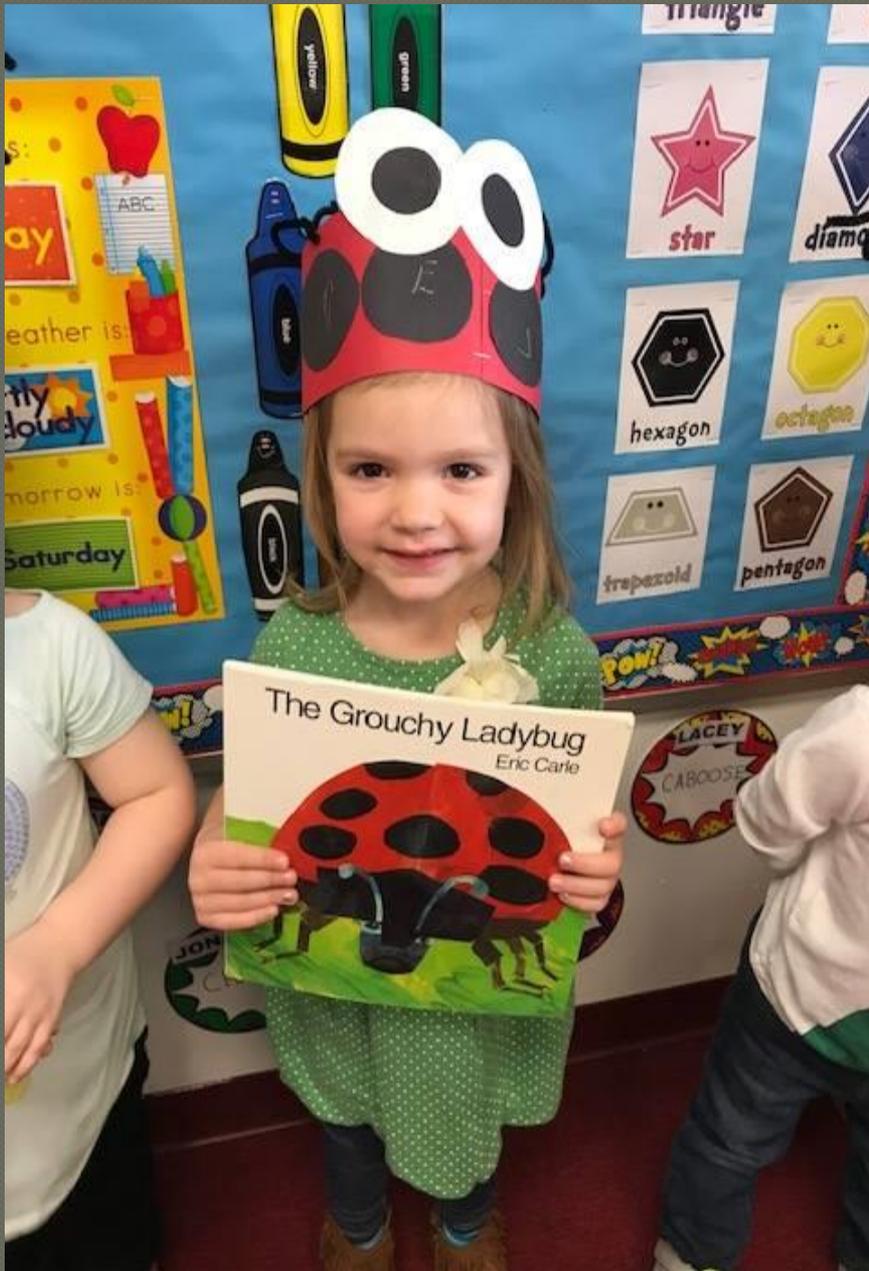

- I highly recommend CYO for so many reasons. From sports to camp and especially pre school. The staff is family. My son learned so much and
- was taken care of so well. They hold such a special place in my families heart. My son is more then ready for kindergarten thanks to
- them.
- - Kim Gliottone

"CYO has been a nurturing environment for my two children. We love the nature that surrounds the school, as well as the pool (for summer camp) and the indoor gym that allows the children some active time even in inclement weather."

- Sharon Haver

"CYO has been a second home to us. All 3 of my children went there and loved every second of it. The staff is caring, patient and I felt good knowing my children were in the best hands. We will always be grateful to CYO for providing an exceptional preschool experience!"

- Jamie Manning

Our daughter blossomed in the CYO preschool program. The staff was warm, friendly, and accommodating. Our daughter thrived in the balance of curriculum and play in an environment that fostered creativity, learning, and fun. She is not only ready but excited about Kindergarten following her positive school experience at the CYO.
